Principal’s Report:

I would like to thank everyone for being so flexible with the change from Friday to Monday of the Family Fun Day.

The amusement company that supplies the rides and other activities contacted us early on Thursday informing us that they would not run the rides on Friday due to the wet conditions.

As a result we were forced to postpone the Fun Day and move it to Monday. I know many working parents had planned to have the Friday with their child and were unable to do so on the Monday. This was not ideal for everyone however it was the best option available to secure the amusements and food stalls.

Prep Enrolments 2016:

Due to our high number of preps for next year we are no longer able to accept enrolments from families who live outside the Cairnlea area.

If you have not yet enrolled your Prep child for 2016 and you live in Cairnlea can you please do so as soon as possible.

When enrolling, parents are required to supply the following information:

- Proof of residence in Cairnlea
- Proof of age (birth certificate or passport)
- Immunisation certificate

Is Your Child Leaving At the End Of 2015?

If your child is not returning to our school in 2016, could you please notify the office. This information assists us greatly in the planning of grades for next year.

Family Fun Day

Once again the children, staff and families of Cairnlea Park Primary School enjoyed an action-packed Family Fun Day. Thankfully, the weather was on our side this time and there was no sign of the rain which had seen the original day cancelled. There were plenty of rides and activities and an assortment of delicious treats to eat. Teachers put a lot of work into the day’s preparation and manned many of the rides and stalls.

Many thanks go to all of you who contributed to the success of the day.

On Family Fun Day I enjoyed Meltdown because I was always falling and when I fell I nearly did a flip. When I fell I held on the line and tripped Kyle over. I also enjoyed the Octopus Slide because it went very fast and it was fun.
Micheal A 1JB

On Family Fun Day I went on the cars, train and swings. I went to see the animals and loved seeing the guinea pigs, rabbits, chicken and sheep. I really liked the hair spray. Maddison had blue, pink and purple hair.

Christmas Food Hampers

Once again our school is supporting the Salvation Army’s annual Christmas Food Drive for less fortunate families in our community. Any canned or packaged food, drinks, sweets or Christmas themed produce would be most gratefully accepted at your child’s classroom.

Last year we managed to collect well over 15 large boxes full of a variety of goods to be distributed to local families, proof that Cairnlea Park Primary School really does live by our first school rule of ‘Be Kind’.
2016 Year 4 iPad Program
Information Sessions

Parents of Year 3 students are invited to attend one of the upcoming information sessions about the school’s 1-to-1 iPad program for 2016 Year 4 students.

The information sessions will be held in the Multi Purpose Room. There are two session times available:
Wednesday 2nd December 9:00-10:00 am or Wednesday 2nd December 5:00-6:00 pm

The sessions will provide an outline of the program, including information about how the iPads will be used in the classroom to support students’ learning, details about the devices, and details about leasing and BYOD options. There will also be an opportunity to ask questions about the program.

Parents are asked to please return the note that was sent home earlier this week.

Cyber Safety Parent Information Session

Knowing how to use online technologies safely, and how to deal with issues, is essential to young people having positive experiences online. Parents have an important role to play in helping to educate and guide their children in their online activities.

CPPS has arranged a Cybersafety Internet Safety Awareness Presentation for Parents on Monday 7th December from 5.30-6.30pm in the school Library.

This session has been arranged through the Cybersmart Outreach program (run by the Australian Government and ACMA) and will be presented by one of their Outreach Trainers. The presentation will provide an overview of cybersafety issues focusing on the interests and needs of parents. The presentation runs for around 60 minutes, and will provide parents with an understanding of cybersafety topics and advice on how to help children and young people stay safe online.

Further cybersafety information and resources can be found at www.esafety.gov.au

As part of our school’s ongoing review procedure, our B4UACT document has been upgraded to reflect the needs of the school more appropriately. The Student Engagement Committee has worked during the course of the year to develop this new template for behaviour, and has sought advice and opinion from both the student body and the staff. It is important that our parent body and wider community also have an input into developing our behavioural expectations, and for that reason, the blueprint of our new B4UACT matrix is presented to you now. Please feel free to add any suggestions you may have, or call in to see me to discuss any points.

**Please be aware that the expectations accumulate as you read across the matrix….what is expected as a student is also expected as a class member, community member and as a global citizen.

I look forward to hearing from you.
