Victorian Curriculum

At Cairnlea Park Primary School we have a whole school curriculum plan encompassing all aspects of the Victorian Curriculum.

In addition to a major focus on English and Mathematics, other areas of the curriculum covered include:

- Digital Technologies
- Physical Education
- Arts (Performing Arts & Visual Arts)
- Italian
- Integrated Studies (Technologies, History, Economics, Geography, Civics & Citizenship, Science and Health)
- Values

Through comprehensive term and weekly planning teachers cater to students at their level of need. This involves providing extra support to students who require it as well as extending those who need further challenges.

English

English includes the areas of reading and viewing, writing and speaking and listening.

Reading - Students will read daily and participate in a range of reading activities including whole class, group and independent tasks. They may read books from the classroom, school library or reading material from home. It is expected that students will read at home to support their learning (see homework policy at end of document).

Writing - Students will participate in writing sessions everyday where they are explicitly taught the writing process and how to write in a range of genres.

Speaking and Listening - Speaking and listening skills and behaviours are taught in the classroom and integrated into reading and writing.

Mathematics

Mathematics includes the areas of number and algebra, measurement and geometry, and statistics and probability. Teachers will also plan a variety of 'hands on' activities using a wide range of resources and equipment available in the school.

The students will be given an opportunity to borrow books from the library which can be taken home for reading. Please return the books on time and in good condition so that the next person may borrow them.

Communication

Communication between home and school is very important to us at Cairnlea Park Primary School.

COMPASS

To assist in communication between the school, teachers and parents, we use a web based system: **Compass**. This system can be accessed and downloaded as an app on your mobile phone, tablet or computer or used straight from the internet via your browser.

Using our parent portal you will be able to:

- Access your child's Student Semester Reports (no printed reports)
- Book your Parent/Student/Teacher conferences

- Approve or enter upcoming or past absences for your son/daughter
- Update your registered email and mobile number (used for SMS alerts) details

Reporting to Parents

Early Term 1: A parent-teacher interview is held each year in February or March. This enables parents and teachers to share information on how students are settling into their new class and discuss any issues that have arisen in the first few weeks of the school year.

End of Term 2: Written reports are made available on the Compass portal and a parent teacher interview takes place.

End of Term 4: Written reports are made available on the Compass portal and interviews are held if requested or required.

If you feel that there is an issue which could affect your child's schooling, or if you have a concern or query, please do not hesitate to discuss the matter with the class teacher.

If you wish to see the class teacher during school time you will need to arrange an appointment so that sufficient time can be given to the discussion.

EMERGENCY CONTACT INFORMATION:

It is most important that the information supplied is completely accurate and is **kept up to date**. Please notify us immediately of any changes to your address or phone details so that we can contact you should the need arise.

Physical or Medical Problems

Please ensure that the office and your child's teacher are informed of any medical problems or conditions that your child may have such as allergies, asthma, vision or hearing problems. Advice about any temporary condition would also be appreciated. This will help us to ensure that all care and safeguards can be put in place to protect the health of your child.

Punctuality

Children should be at school by 8:45am. Children are supervised in the yard from 8:30am onwards.

It is **vitaly important** for students to get to school on time. Literacy and/or numeracy lessons are usually timetabled for the first two hours of the day. Children who come to school late miss out on learning important skills and often find it more difficult to settle into class activities.

The school gates are locked each morning at approximately 9:00am. Any students arriving at school after this time need to enter through the school office to receive a late pass.

Absences

All students are expected to attend school every day. It is important that your child attends school regularly and if they are absent, please inform the school via *COMPASS* or phone with the reason and length of absence.

If you are planning to take your child on an extended family holiday, please notify the office.

Parent Volunteers

Parents helping out at school are of great benefit to the children. If you are able to help out, there are a variety of ways that you can assist in the school. Please see your child's teacher or our Community Engagement Coordinator - Natalie Roach, as they will be grateful for any assistance you could give. You may also wish to become a member of our School Council.

Uniforms

Students are required to wear full school uniform every day. If they are unable to do so, please send a note explaining why and how long they are out of uniform. Our Uniform Policy is listed at the end of this document.

Sun Smart

The school's sun smart policy helps protect our children from harmful sun damage. Children must wear a school bucket or legionnaire hat at all times from the 1st of September until the April 30th due to high UV levels (these can be purchased from 'PSW'). Students without a hat will be restricted to sheltered areas during recess and lunch time.

Homework Policy

This policy has been reviewed in accordance with "Homework Guidelines" Dept of Education and Training.

Rationale:

- Homework helps students by complementing and reinforcing classroom learning, fostering good lifelong learning and study habits, and providing an opportunity for students to be responsible for their own learning.
- Homework provides further opportunities for parents to participate in their child's education. Parents, in partnership with the school, should encourage their children to establish good homework routines from early primary school.

Aims:

- Homework should be designed to reinforce concepts taught in the classroom, not to introduce new concepts and be purposeful, meaningful and relevant to the curriculum.
- Homework tasks should encourage students to develop and maintain regular and independent homework habits and routines.
- Homework should be appropriate to the student's skill level and age and be interesting, challenging and, where appropriate, open ended.

Implementation:

Prep – 4

Prep to Year 4 homework should not be seen as a chore.

Homework will:

- enable the extension of class work by practising skills or gathering extra information or materials
- mainly consist of daily reading to, with, and by parents/caregivers or older siblings

This will generally not exceed 30 minutes a day.

Years 5 & 6

- should include daily independent reading
- may include extension of class work, projects and assignments, essays and research.

This will generally range from 30 – 45 minutes a day at Year 5 & 6.

Expectations

Teachers:

- Homework will be corrected and feedback given as appropriate.
- Parents will be notified through reports, parent/teacher interviews or as appropriate when homework is not being submitted on a regular basis.

Parents and Care Givers:

- Are asked to sign their child's reading and homework tasks.
- Are encouraged to assist their children but the tasks **should be completed by the child**.
- Are encouraged to give feedback to the class teacher regarding homework concerns.

Evaluation:

- Homework policy to be distributed to staff at the beginning of each year.
- Homework policy to be published on the school's website and included in each Year Level's Information Booklets.
- Homework policy to be reviewed as part of the school's four year policy review cycle.

This policy was last ratified by school council in June 2015.

Uniform Policy

Rationale:

- Students dressed in school uniform gain a sense of belonging to the school.
- The cost of providing school uniform is almost always cheaper than providing an assortment of casual clothes.
- School uniform is designed to be practical for the range of activities undertaken at the school.
- All students are required to wear uniform, reducing competition in fashion dressing. All students, regardless of socio economic circumstance can feel equally part of the school community.
- Staff and parents will have an important role in the positive encouragement of the wearing of school uniform.

Implementation:

- If a child is unable to wear school uniform on a particular day, parents should advise the class teacher in writing, indicating the reasons and likely duration.
- Parents will be able to obtain the uniform from the school's uniform supplier, the school's preloved uniform stock or commercial outlets.
- The Uniform Policy should be read in conjunction with the Sun smart Policy.
- The Uniform Policy will be published each year in the Family Information Booklet.
- A parent/guardian may contact the principal requesting the student be exempted from wearing uniform, including reasons for seeking exemption. eg. health or religious reasons.
- Where there are frequent occurrences of a child being out of uniform, contact will be made with parents by the Student Engagement Coordinator to seek their support in ensuring the Uniform Policy will be adhered to.
- All students are required to wear the uniform as listed below:
