## PRINCIPAL'S REPORT:

We are at the end of Week 8 with only three more weeks of school before the end of Term. The teachers are currently finalising the student's end of year reports and the Leadership team are working on finalising our staffing for 2022. Once completed teachers will be assigned to classes and roles for next year. Since our last COVID case at the beginning of Week 7 the requirements for schools have changed with the Premier freeing up restrictions, announced on Thursday 18<sup>th</sup> November. The school is required to identify potential close contacts. All close contacts are required to complete a standard (PCR) test within 24 hours from when they are identified by the school as a contact. If the PCR test returns a negative result, the student can immediately return to school, with evidence of the negative result provided to the school. It is strongly recommended that these close contacts complete five days of rapid antigen tests in the morning before they attend school. These testing kits are available from the PCR testing centres.

The Department of Education guidelines still require us to work and learn in a COVID-19 Safe manner, so below is some information to support our school community to do this:

- Parents can enter the school grounds for drop off and pickup.
- Parents are not to enter the classrooms.
- Parents and visitors who enter our school buildings must enter via the main office, sign in or register using the QR code, must be fully vaccinated and wearing a face mask.
- If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.
- Students who develop any COVID symptoms throughout the day, will need to be collected from school. The symptoms to watch out for are fever, chills or sweats, cough, sore throat, runny nose, shortness of breath and loss or change in sense of smell or taste. It is important that any student who becomes unwell with COVID-19 symptoms while at school gets tested.
- Hand hygiene remains one of the critical measures to reduce coronavirus (COVID-19) transmission. Sanitised surface wipes, soap and hand sanitiser is available for all staff and students to use throughout the day.

### 2022 Preps Transition

On Tuesday 23<sup>rd</sup> November we had our first Prep Orientation session. It was great to see the children at school engaging in learning opportunities and having fun with their peers and teachers. The second orientation session will be held next Tuesday 30<sup>th</sup> November. The final Prep Orientation session will be on Tuesday 7<sup>th</sup> December, we strongly encourage all students who will be attending Prep at Cairnlea Park Primary School in 2022 to attend these final sessions. Letters with information are being sent out to the families that have already enrolled for Prep next year.

**Information on the wearing of face masks at school**

For all primary school settings, the Victorian Chief Health Officer:

- Directs face masks are required for students in Year 3 to Year 6, only when indoors on school premises, unless an exception applies.
- All students are encouraged to wear face masks indoors.

Please refer to the Department of Health [website](#) for the latest face mask requirements as advice may change at short notice.

**Is Your Child Leaving at The End Of 2021?**

If your child is not returning to our school in 2022, can you please notify the office. This assists us greatly in the planning of grades for next year. Thank you

## EMERGENCY SNACKS AND LUNCHES FROM THE CANTEEN

In the second half of last year there were many students having emergency snacks or lunches from the canteen.

These emergency meals are for students who genuinely forget to order or bring their snack or lunch from home. Students, in this case will be provided with an emergency snack or lunch of either a vegemite or jam sandwich from the canteen.

An account will then be sent home to parents requesting payment of 50 cents for the snack or \$1 for the lunch provided which is to be paid back to the canteen the next day.

For students that receive these emergency meals and have spending money for the canteen, their spending money will be used as payment for the outstanding amount.

Thank you.
