Student and Parent/Guardian Consent for Electronic Publication

At Cairnlea Park Primary School, students have the opportunity to celebrate their achievements by having their work and/or image (photo/video) published in various forums. This includes:

- In fortnightly school newsletters
- Displayed within the school (including on the TV multimedia display in the school foyer)
- On our school website at www.cairnleaparkps.vic.edu.au

To protect your privacy:

- Student work will only identify the student’s first name and year level.
- Digital images (photos and video) will not identify any student by name.

Please complete the form below and return to the school.
