Principals Report

As families read this newsletter I will be on my second day of long service leave. I return to work on Thursday 16th June. For the week I am on leave Mrs Fiona Lo Presti will be Acting Principal.

On Monday 20th June, before our next newsletter your child’s mid-year reports will be sent home. The reports will provide you with a detailed description of how your child has progressed in the first semester of school this year. On Wednesday 22nd June, we will be holding our mid-year parent teacher interviews from 12.00pm through to 7.00pm, with no classes for students that day due to the interviews. Please ensure you have made alternate care arrangements for your children on Wednesday 22nd June.

Information about the interviews and how to book them online were in the last newsletter and will also be in this newsletter. A tiqbiz message has been sent earlier this week and paper copies of the Parent Teacher Interview Registration Process are available at the office. I encourage all families to make an appointment to attend the interviews so that together with the written report, you get an extremely accurate picture of how your child is progressing at school. If you are having any difficulties booking please see the office and they will be able to assist you.

If your child has come home complaining about an incident with another student, I ask you to please communicate your concerns to the school as soon as is practicable. The school has two student welfare teachers that are here to sort out these difficulties when they occur. Under no circumstances are parents to approach children in regard to the complaint. Parents/Adults who approach other children in the school yard are at risk of being given a trespass order banning them from being on the school grounds or police intervention.

Walk-A-Thon Results

Our 2016 Walkathon was a great success with good weather and enthusiastic students eager to get around the designated walking tracks as many times as possible. It was also financially a successful day with student’s sponsorships raising $7482 to be put towards the new electronic sign at the front of the school. I would to thank everyone who sponsored our students and also the Year 4 team who organised the event. We look forward to continuing the tradition in 2017.

Yours sincerely,
Mark Mills,
Principal.
Grade 5 IMAX & Melbourne Museum excursion

The second of June, the day we departed for Melbourne Museum and IMAX. We were full of joy and the excitement rose as the buses arrived. On the bus, we conversed happily as the bus travelled through the suburb of Carlton. After snack, it was time to explore the museum! We split up into two groups and started exploring. We looked at the rocks, prehistoric era, insects and the wild animal exhibits. Then we ate lunch it the Carlton Gardens whilst basking in the sun. It was time to watch Journey to Space at IMAX. The duration of the movie ‘Journey to Space’ was about 50 minutes. We learnt about the benefits and consequences of space, the equipment, the improvements of space equipment, the history of space and information about Ores, fossils, bugs and animals. Overall, we had an enjoyable experience.
