**Principal’s Report**

Friday is the last day of school for Term 2 and dismissal will be at 2.30pm. Lunch will be an hour earlier with children eating their lunch in the classrooms at 12:25pm. Please ensure you have made arrangements for the collection of your children at 2.30pm.

Over the holidays we are continuing the maintenance program around the school. During the holidays we will have a new electronic sign installed at the front of the school. This will replace our old manually adjusted sign which will be removed at the same time. The concreter will also be in over the holidays to extend, widen and repair paths around the front of the school.

The beginning of next term will see a number of staffing changes. Mrs. Hamdan who is teaching Prep BH will begin her family leave, replacing Mrs Hamdan will be Mrs Hein and Mrs Bunting sharing the grade. Mrs Hein will take the grade from Monday to Wednesday and Mrs Bunting will take the grade from Thursday to Friday. Mrs Hein is returning to Cairnlea Park after having family leave. Mrs Bunting also taught at Cairnlea Park before leaving to have her family.

Mrs Rushworth who is teaching Grade 1SR has accepted a teaching position closer to her home. Mr. Tomkins who is currently teaching Physical Education will move across and take Grade 1SR for the rest of this year.

Mrs. Kirk-Jambor who is teaching Grade 4MK in a shared class with Mrs Morrison has accepted a teaching position closer to her home. Fortunately for the grade, Mrs Morrison has agreed to teach the grade full time for the rest of the school year. I would like to wish all 3 teachers the best for the future.

As this is the last newsletter for Term 2, I would like to thank the school community for such a successful term. I wish you a safe holiday and I look forward to seeing everyone back safe and well on **Monday 11th July**.

Yours sincerely,

Mark Mills,
Principal.
Yr 3 & 4 Circus Incursion

Hey, let me tell you about this fantastic thing we did last week. The circus incursion was great we all got to learn different kinds of tricks. I loved the part where we had to pull the scarf out from under a beanbag on our heads. The flying balls and juggling were tricky too. We all worked really hard to improve but we were not very good, oh well. We did our best and had fun anyway. The best part was when Zac spun the plates high up in the air. He even threw it into the basketball hoop and passed it to Miss Kemeridis. We got to be squished by a giant parachute and pretended we were having a parachute shower. It was cool how he spun the hula hoop on the floor and jumped through it. The whole thing was just awesome. Ethan B, Ethan Ho and Joel 3EK
We were doing tricks at the circus.

We had so much fun.
We did juggling with our scarves.
Someone threw them up in the air and we had to catch them all.
We had spinning plates.
We had to spin it on a wand.
It was so much fun.
My favourite thing was the parachute.

PREPS AT SCIENCEWORKS

This term the Preps have been learning all about how things move. On Thursday 9th June they ventured off to Scienceworks on their very first school excursion. Everyone had a ball discovering Alice’s Wonderland, Sports World, Nitty Gritty Super City and a show exploring toys and forces.
Prep enrolments for next year are now being taken for children who live in the Cairnlea estate and siblings of students currently attending Cairnlea Park Primary. Due to our enrolment restrictions we are unable to accept any more prep enrolments from families who live outside the Cairnlea estate.

Parents are required to supply the following information when enrolling:

- Proof of residence in Cairnlea
- Proof of age (birth certificate or passport)
- Immunisation certificate

Prep tours will be held throughout Terms 2, 3 & 4 for interested parents. Dates and times for future tours are available through the office, bookings are essential.
