## English

English includes the areas of reading and viewing, writing and speaking and listening.

Reading – Students will read daily and participate in a range of reading activities including whole class, group and independent tasks. They may read books from the classroom, school library or reading material from home. It is expected that students will read at home to support their learning (see homework policy at end of document).

Writing – Students will participate in writing sessions everyday where they are explicitly taught the writing process and how to write in a range of genres.

Speaking and Listening – Speaking and listening skills and behaviours are taught in the classroom and integrated into reading and writing.

The students will be given an opportunity to borrow books from the library which can be taken home for reading. Please return the books on time and in good condition so that the next person may borrow them.

## Communication

**Communication between home and school is very important to us at Cairnlea Park Primary School.**

### COMPASS

To assist in communication between the school, teachers and parents, we use a web based system: **Compass**. This system can be accessed and downloaded as an app on your mobile phone, tablet or computer or used straight from the internet via your browser.

Using our parent portal you will be able to:

- Access your child's Student Semester Reports (no printed reports)
- Book your Parent/Student/Teacher conferences
- View up-to-date class and school attendance information
- Approve or enter upcoming or past absences for your son/daughter
- Update your registered email and mobile number (used for SMS alerts) details
- Access information regarding upcoming events and school newsletters

**\*\*SMS notifications are sent daily if your child has not been marked present and you have not authorised this absence.**

Please download the Compass App  from the App Store or Google Play Store (for your phone or tablet) or use the following link for your computer: <https://cairnleaparkps-vic.compass.education>

### Reporting to Parents

**Early Term 1:** A parent-teacher interview is held each year in March. This enables parents and teachers to share information on how students are settling into their new class and discuss any issues that have arisen in the first few weeks of the school year.

**End of Term 2:** Written reports are made available on the Compass portal and a parent teacher interview takes place.

**End of Term 4:** Written reports are made available on the Compass portal and interviews are held if requested or required.

If you feel that there is an issue which could affect your child's schooling, or if you have a concern or query, please do not hesitate to discuss the matter with the class teacher.

**If you wish to see the class teacher during school time you will need to arrange an appointment so that sufficient time can be given to the discussion.**

### EMERGENCY CONTACT INFORMATION:

It is most important that the information supplied is completely accurate and is **kept up to date**.

Please notify us immediately of any changes to your address or phone details so that we can contact you should the need arise.

### Physical or Medical Problems

Please ensure that the office and your child's teacher are informed of any medical problems or conditions that your child may have such as anaphylaxis, allergies, asthma, vision or hearing problems. Advice about any temporary condition would also be appreciated. This will help us to ensure that all care and safeguards can be put in place to protect the health of your child.

### Punctuality

Children should be at school by 8:45am. Children are supervised in the yard from 8:45am onwards.

It is **vitaly important** for students to get to school on time. Literacy and/or numeracy lessons are usually timetabled for the first two hours of the day. Children who come to school late miss out on learning important skills and often find it more difficult to settle into class activities.

The school gates are locked each morning at approximately 9:00am. Any students arriving at school after this time need to enter through the school office to receive a late pass.

### Absences

All students are expected to attend school every day. It is important that your child attends school regularly and if they are absent, please inform the school via Compass or phone with the reason and length of absence.

If you are planning to take your child on an extended family holiday, please notify the office.

### Parent Volunteers

Parents helping out at school are of great benefit to the children. If you are able to help out, have completed the Parent Helper Training and have a Working with Children Check, there are a variety of ways that you can assist in the school. Please see your child's teacher or our Engagement Coordinator – Natalie Roach, as they will be grateful for any assistance you could give. You may also wish to become a member of our School Council.

### Uniforms

Students are required to wear full school uniform every day. If they are unable to do so, please send a note explaining why and how long they are out of uniform. Our Uniform Policy is listed at the end of this document.

### SunSmart

The school's sun smart policy helps protect our children from harmful sun damage. Children must wear a school bucket or legionnaire hat at all times from the 1<sup>st</sup> of September until the April 30<sup>th</sup> due to high UV levels (these can be purchased from 'PSW'). Students without a hat will be restricted to sheltered areas during recess and lunch time.

## Uniform Policy

### Rationale:

- Students dressed in school uniform gain a sense of belonging to the school.
- The cost of providing school uniform is almost always cheaper than providing an assortment of casual clothes.
- School uniform is designed to be practical for the range of activities undertaken at the school.
- All students are required to wear uniform, reducing competition in fashion dressing. All students, regardless of socio economic circumstance can feel equally part of the school community.
- Staff and parents will have an important role in the positive encouragement of the wearing of school uniform.

### Implementation:

- If a child is unable to wear school uniform on a particular day, parents should advise the class teacher in writing, indicating the reasons and likely duration.
- Parents will be able to obtain the uniform from the school's uniform supplier, the school's preloved uniform stock or commercial outlets.
- The Uniform Policy should be read in conjunction with the Sun smart Policy.
- The Uniform Policy will be published each year in the Family Information Booklet.
- A parent/guardian may contact the principal requesting the student be exempted from wearing uniform, including reasons for seeking exemption. eg. health or religious reasons.
- Where there are frequent occurrences of a child being out of uniform, contact will be made with parents by the Student Engagement Coordinator to seek their support in ensuring the Uniform Policy will be adhered to.
- All students are required to wear the uniform as listed below:

### **SCOPE**

This policy applies to students in all year levels and staff responsible for setting homework.

### **POLICY**

Cairnlea Park Primary School acknowledges that homework should be tailored and adapted to suit the personal and developmental needs of students.

Teachers at Cairnlea Park Primary School are encouraged to exercise their discretion in assigning tasks that are appropriate for their students and most likely to be meaningful. This may comprise of reading, spelling, research projects or extension assignments.

#### **Prep to Year 4**

In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare students for the upper grades.

Assigned homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials.

Students are generally not expected to complete more than 30 minutes of homework per day.

#### **Year 5 to Year 6**

Students are generally not expected to spend more than 45 minutes per day on homework.

#### **Shared expectations and responsibilities**

*It is expected that students will take responsibility for their own learning by:*

- being aware of the school's homework policy
- discussing with their parents/carers homework expectations
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities.

*It is expected that parents/carers will support their children by:*

- developing a positive and productive approach to homework
- ensuring there is a balance between the time spent on homework and recreational activities
- reading to them, talking with them and involving them in learning opportunities during everyday household routines and physical activity
- talking to teachers about any concerns they have about the homework
- attending the school events, productions or displays their child is involved in
- ensuring upper primary students keep a homework diary
- discussing homework with their child in their first language, if English is not the main language spoken at home, and linking it to previous experiences
- linking homework and other learning activities to the families' culture, history and language, linking with relevant services, clubs, associations and community

- ensuring there is a quiet study area for students to complete their homework tasks.

### **Support for students, parents and carers**

Teachers at Cairnlea Park Primary School understand that students have different learning styles and interests, and may approach learning activities and homework differently. If you are concerned that your child may not understand the homework tasks that have been set for him or her, or is spending a long period of time completing their homework, we encourage you to speak to their class teacher/s.
